

Vermont Federation of Nurses and Healthcare Professionals (VFNHP) is intent on building a stronger Union and increasing participation in our upcoming nurse negotiations. We are looking for members ready to Step-Up and Serve on the MEMBER ACTION TEAM (MAT), and periodically share information and gather feedback from your colleagues, as well as help motivate them to participate in activities that Promote Safe Staffing and Protect the Values of Our Profession.

Being on the MAT means that I commit to:

- 1. Organize and Educate a group of ten (10) colleagues to participate in VFNHP Activities;
- 2. Listen to the issues and problems of colleagues and check-in regularly with VFNHP Leadership and Staff;
- 3. Participate in Union-Wide Campaigns that BUILD OUR POWER, including Ballot Initiatives, New Member Outreach, and Contract Negotiations;
- 4. Support the Goals, Values and Principles of OUR UNION.
